

Missed Appointments

Unless you have cancelled at least 24 hours in advance, our policy is to charge for missed appointments at the rate of a normal office visit. Please help us serve you better by keeping scheduled appointments.

Laboratory or Imaging Fees

Any services performed by a lab or imaging center outside of Dr. Gabriel Carabulea’s office are billed separately to you by the facility performing such tests. It is not the doctor’s responsibility to assure insurance coverage for this bill. It is the responsibility of the patient to utilize a laboratory or imaging center contracted with his/her insurance provider.

Miscellaneous Fees

- * Telephone consultations with the doctor are subject to a consultation fee to be charged in accordance with the time spent and the degree of expertise involved. Such consultations are not covered by insurance and are the patient’s responsibility to pay.
- * If the patient is in need of the doctor’s time to dictate letter(s) or fill out disability form(s), there is a per-item fee of \$25 billed to the patient for the doctor’s time. These services are the patient’s responsibilities and are not covered by insurance.
- * Copies of your medical records are available upon request for a copying fee of \$0.25 per page. There is a fee of \$50.00 if the records must be retrieved from storage. Please allow five (5) working days from receipt of your payment for the records.
